- CPR and First Aid certified, expires June 2027
- Safety Care trained, completed February 2026

ABA SKILLS

Skill acquisition | Behavior reduction plans | ABC data | Frequency data | Prompt fading | DTT | NET | Caregiver updates | Session notes | HIPAA awareness

EXPERIENCE

Registered Behavior Technician | Peachtree ABA Services | March 2025 to Present

- Deliver one-to-one ABA sessions for six clients ages 3 to 10 in clinic and home settings under BCBA supervision.
- Collect frequency, duration, ABC, and trial-by-trial data in CentralReach with same-day session note completion.
- Implement skill acquisition programs for communication, daily living skills, play skills, transitions, and tolerance building.
- Follow behavior intervention plans for elopement, aggression, refusal, and tantrum behavior while maintaining client dignity and safety.
- Prepare simple materials before sessions, including token boards, visual supports, matching cards, and preferred item bins.

Childcare Lead | Bright Steps Learning Center | August 2023 to February 2025

- Led classroom routines for 12 preschool children, including circle time, transitions, meals, rest time, and parent pickup.
- Maintained daily written records for incidents, toileting, meals, naps, and parent communication.
- Supported children during conflict by using calm language, choices, and consistent classroom expectations.
